Come Discover, Learn, Work!
Extended Year Experiences

Choose from any week(s) from February through August 31st

- Flexible to meet the school vacation schedule of your 16-21 year old with autism, autistic-like presentations, mental/behavioral health challenges, or developmental disabilities
- Individuals gain valuable work experience at local businesses, participate in career exploration activities, add volunteerism to their resumes, and build social connections while maintaining a structured daily routine.
- Our hours on Monday-Friday from 9am-3pm. We close at noon on the third Wednesday of the month.
- We accommodate full time and part time schedules. All locations are on the public bus line.
- The Extended Year Experience does not qualify for public school funding.
- Services located at our dynamic host businesses in Greater Hartford, New Haven Shoreline, and Greater Danbury

If your child would benefit from gaining work experience and developing social connections within the local community during their vacations from school, or if you need a supportive and structured routine for these weeks, this service will meet those needs!

Space is limited! Please call Information and Referral at 888.832.8247 to request more information or arrange a tour at one of our locations!
