

Faculty Position: Early Childhood Special Education

University of Connecticut Center for Excellence in Developmental Disabilities
Research, Education, and Service (UConn UCEDD)

The UConn UCEDD is funded by the Administration on Intellectual and Developmental Disabilities and is authorized under the Developmental Disabilities Assistance and Bill of Rights Act of 2000 (DD Act). As part of the national network of 67 UCEDD's, the UConn UCEDD shares a vision that foresees a nation in which all Americans, including Americans with disabilities, participate fully in their communities.

The purpose of a UCEDD is to provide preservice and continuing education, community services, technical assistance, research and dissemination with, and on behalf of people with disabilities across the lifespan and their families. The UConn UCEDD's programmatic areas are early intervention, schools and post school transition, health promotion, community leadership.

The UConn UCEDD is searching to hire a nontenure track faculty position (open rank) to coordinate technical assistance activities in early childhood intervention projects. Experience in the field of early childhood intervention and as a faculty IHE are preferred qualifications. The responsibilities of this position will include participation in research and evaluation of equity-based curriculum application programs in IHE.

Screening of applicants will begin immediately and will continue until the position is filled. To apply, please submit a letter of application, a current vita, all transcripts, three samples of scholarly writing, and three letters of reference.
